Then tell them exactly how to get to your house or the location of the accident. If we can't find your house, we can't help treat the patient. Not every attendant has

The S.A.D. 44 Adult and Community Education program has released the fall term schedule which includes a number of offerings in the area of health and fitness. Adult and Community Education Director Cathy Newell announced that Standard First Aid classes will be offered in Bethel and in Andover, on Monday and Tuesday nights respectively. The Bethel class is offered in cooperation with the Bethel Area Health Center, and will be held at the Center on Main Street. The Andover Fire Department will co-sponsor the Andover class and host the course at their new building in Andover. Both classes will be taught by Florence Merrill and Will Crowell.

Opportunities for exercise will be provided through Exercise classes in Andover, meeting twice a week at the Andover Elementary School on Monday and Thursday nights, taught by Carol Emery. The early morning walking group headed by volunteer coordinator Merton Brown, provides stretch exercises followed by a brisk three-mile walk from 6 to 7 p. m., leaving from the Bethel Library. Mrs. Newell would be interested in hearing from anyone willing to head walking groups in other District towns.

Adult Coed Volleyball will begin for the fall season on Wednesday, Sept. 26, under the direction of volunteer coordinator Donnie Katlin. The league provides an evening of fun and fitness through team play, and will end in early November with playoffs. Players of all ages and abilities are welcome and should come to the Sept. 26 session prepared to play in comfortable athletic clothes and sneakers.

Tae Kwon Do is a new addition to the schedule this fall, and will be taught by Gloria Lewis and Lauretta Varo. It is a self-defense technique, and will begin late in the term on Oct. 25.

For information or to enroll in these or other classes, telephone the Adult and Community Education office, 824-2780.

Home Town Paper
Many a person whom we know has left his town of wind and snow.

They have chosen to live among the flowers in solid comfort through winter hours.

They are older, don't like the cold. Things change as you grow old. Some days the chores are few. With family gone—now only two. So when Home Town Paper comes they gloat over each tiny crumb. Of news, it's worth more than gold. They skip nothing that the lines hold.

They hesitate, talk, eyes ashine. Here are neighbors mentioned. "They were mine."

"I wonder how they are today? Let's read on, it will say."

Each item is a personal thought. They know these folks the paper brought.

Deep in their hearts they can see The faces they love so tenderly. Four little pages; they've read every part.

All are memories of their town's heart. Pictures are cut to keep in files. To bring back scenes across the miles.

Places they cherish come to them. For hours they visit friends again. Four little sheets, now put away. To wait for another on next Thursday.

Mr. and Mrs. Eric Adams and son, Joshua, were in New Hampshire for the week end.

Callers at the home of Frank and Dot Curtis were Fred and Ray Curtis, Eva Felton, Kathy Curtis, Irene Stevens, Local; Mildred Bowman, Hebron; Alton Kimball, Waterford; Ralph Leeper, and a friend, Westport; Regina Leeper, North Kingstown, R. I.

Duane, Ardell, Glenn Hayes, were at their mother's, Doris Hayes, on Saturday. Vernia Libby and Lenora Waterhouse visited

**NOTES FROM THE
WOODSTOCK HISTORICAL SOC.**

New England has long been the cradle of culture for America. We have a proud history to preserve here. Consider the authors who gathered about Boston and Concord during New England's golden age: Emerson, Thoreau, Whitier, Lowell, Holmes, Hawthorne was one of the premier novelists of the 19th century. Maine, too, produced great writers of its own. Longfellow wrote his great national ballads and eventually became a professor at Harvard. Edna St. Vincent Millay was one of our great lyric voices. Edwin Arlington Robinson brooded over Maine's loneliness. Sarah Orne Jewett wrote about the Maine coast. In art we were hardly behindhand. There were Wyeth and Winslow Homer and Louise Nevelson. In politics New England produced Daniel Webster, James G. Blaine, Hannibal Hamlin, William Pitt Fessenden, "Ozark" Reed, and the redoubtable Washburn family. In the 20th century we have had Margaret Chase Smith and Edmund Muskie. The honor roll is long and distinguished. Couple these names with the distinctive architecture and natural beauties of New England and you have a

ular slide show, "Gould Through the Years," a nostalgic look at Gould's history and personalities, using old photographs with emphasis on this year's reunioning classes, those whose numerals end in "4" or "9".

At noon, the Alumni Luncheon, featuring a cold buffet, will be held in the William Bingham Gymnasium followed by the annual meeting of the Alumni Association and the election of directors for 1985. The rest of the afternoon will be devoted to sports, with the Huskies of Gould competing with Telstar Regional High School. Alumni are invited to run in the cross country race at 2:15 p. m. so here is a chance for those who jog or run or compete in road races to compete for fun and fitness.

At 4:30 Headmaster Bill Clough and his wife, Ki, will host a reception for all alumni at their home on the Gould campus. Following the reception, the Alumni Banquet, featuring steampships of roast beef, will be held in the Bingham Gym at 6 p. m. Immediately following the meal, the class of 1934 will be presented 50-year honorary diplomas and the Alumni Association will present these special awards including Alumnus-of-the-Year, a faculty award and the Tuckerman True Award.

A dance, with a live band capable of appealing to all ages will be held at the Bethel Inn and several reunioning classes will hold parties throughout the area.

On Sunday, golf and tennis will be available and a special alumni church service will be held at the West Parish Congregational Church adjacent to the Gould campus.

condition of the Society and that the annual audit would be published each year in the newsletter. President Bennett thanked all those who had made Sudbury Canada Days such a success and praised the dedication ceremony sponsored by the East Bethel Cemetery where the plaque honoring Eva M. Bean, the Society's founder, was unveiled.

The "Artifact of the Month" was announced as a sign "C. Mason" which once hung on a building owned by Charles Mason, nephew of Dr. Moses Mason, near the railroad tracks below the present Martha's Restaurant. Charles Mason was a merchant selling a general line of goods particularly hardware, as did his brother Oliver Mason. This was the gift of Alvin Barth, Society Life Member and will hang in the Museum Store area. A life membership certificate was presented to Basil Seguin of Bryant Pond.

President Bennett reviewed some of the highlights since the last annual meeting. Among them he included the addition of over 100 members, the acquisition of numerous artifacts to the Society's collection, the restoration of the Twitchell portraits completed with a grant from the Maine State Commission on the Arts and Humanities; a successful endowment campaign exceeding the goal by more than \$1,000; a course "Grass Roots History" offered to high school students for the first time; very successful special events and exhibits; undertaking the republication of Eva Bean's "East Bethel Road" with an updated addition of developments since 1959 and the reprinting of the 1880 maps of Bethel.

During the Director's report section of the meeting Society Director Stanley Howe reported that the present 1984 endowment campaign had gone over the \$4,000 mark from over 200 individuals and businesses toward meeting the \$7,000 goal. Howe also reported that to date prepaid orders for "East Bethel Road" totaled over 250 with a steady flow of orders coming in daily. He urged anyone with information to get to the Society office as soon as possible as it was hoped to get the updated information to the printer by the end of the month.

The Director announced that an exhibit "Early Peoples in Northern Maine" would be in the meeting room from Oct. 6 through 20 sponsored by The Center for the Study of Early Man at the University of Maine at Orono with the support of the Maine Humanities Council and the National Endowment for the Humanities.

CONQUER MT. WASHINGTON

Among the cyclists who made the annual ascent of Mt. Washington on Sunday, Sept. 9, were the three shown here from Providence, R. I., who spent Saturday night at the Greenleaf cottage on Songo Pond. Left to right: Ted Yeow, a mechanic; Bernard Quartarelli,

insurance salesman, and Mark Greenleaf, civil engineer. They didn't expect to set any records. Just doing it was enough. Mark, whose parents are Mr. and Mrs. Robert Greenleaf, North Scituate, R. I., made it to the top in one hour and 40 minutes. He is the grandson of Mabel Greenleaf, Bethel.

The 3-hour session will feature information on shoulder, elbow and hand injuries, including prevention and rehabilitation, and will include hands-on sessions on taping of these areas. Also planned is a brief video-tape of a shoulder arthroscopy, which will highlight some of the modern treatments of athletic injuries.

The workshop is open to athletes, coaches and parents of athletes. It is essential to pre-register by calling the S.A.D. 44 Adult & Community Education office, 824-2780, as the workshop will be postponed in the event of insufficient enrollment.

downment for the Humanities. Howe also brought to members' attention the fact that the Society would be hosting "The Adams Chronicles" beginning on Oct. 3. The Director thanked all who had made the past year such a successful one and praised the many volunteers who make it all possible. He announced a new feature in the newsletter "The Bethel Courier" which will be a member profile, focusing on one volunteer per quarter who has made an outstanding contribution to the Bethel Historical Society as it observes its first decade in the Dr. Moses Mason House.

The program included a wide variety of slides focusing on some of the activities of the past year as well as the traditional new slides of old photographs and post cards made since the last annual meeting.

Letters to the Editor

Sept. 8, 1984

To the Editor,

I would sincerely like to thank our bus drivers that drive the East Bethel road. They do a great job. School has started and our children are being bussed by very experienced drivers, otherwise we would have bus accidents. The drivers have great intestinal fortitude to drive over the East Bethel road.

The East Bethel road is not safe for small compact cars to say nothing of busses and the numerous logging trucks which travel over this road every day. Traffic on this small narrow strip of highway is not to be believed. Evidently the State Highway Dept. doesn't realize how traveled it is, or they would do something to it.

Thanks

To the Editor:

An article in the "Lewiston Daily Sun" recently said that the Legislature was considering combining Bond Issues for the University of Maine and Vocational Schools. The article stated that bond issues for the U. of M. were usually defeated, while those for Vocational Schools were approved, and they felt that combining the two would give the U. of M. issue better chance of passage. This has been done too many times in the past, combining a weak issue with a strong one to assure passage of the weak issue. Frankly, I consider this dirty pool, and that it should not be allowed.

Voters should be allowed to vote for issues they approve and should not be forced to support issues they do not approve to do so. Any time two bond issues are combined on the ballot we should all get together and vote them down, thereby serving notice to the Legislature that we will not stand for being forced to vote for an issue we oppose to support one we favor.

Anything two issues are combined on the ballot for this purpose, I intend to vote against every issue on the ballot, and I hope that others will too. I will not be forced by the Legislature to support an issue I do not favor in order to vote for one I do. This practice of combining issues for this purpose should be stopped. Let the voters vote for issues they favor and against the ones they oppose.

Sincerely,

Roger E. Hanscom

— Miss Amy Hanscom, Corres. —

The Selectmen met Friday morning, Sept. 7, at the Town's Office. A warrant was made to pay current bills and the resignation of Stephen Yates as School District Director was accepted with regret. Yates' term expires March 31, 1986. Selectmen will appoint a Director to serve until the March 1986 Town Meeting, at which time one will be elected to fill the remainder of the term. Necessary repairs to the Raymond Foster School were discussed. Several carpenters will be interviewed, to see who is available to do the job at this time. It was felt that work on the roofing project should be started as soon as possible. One estimate has been received and it was felt that those specifications might be quite closely followed, other than the pitch of the roof. Specifications presented called for a 3/12 pitch. Some felt that this should be steeper, possibly a 6/12 pitch. The Selectmen will meet Sept. 18, to review the findings after carpenters have been consulted, and it is hoped that work may be started soon after that.

The subject of Pastor Hanscom's message Sunday morning was "I Was Sometimes Disappointed in God." Marsha Moxey read the Scripture from Matthew 6:5-15. The West Parish Congregational Church, Bethel, has invited the Newry Church to join them in a Hymn Sing Sept. 13, at 7:30 p. m. The Elder Hostel Group will be special guests. Fellowship and refreshments will follow. Pastor Hanscom and Organist Nancy Hanscom will be away Sept. 23. Matthew Wight will have the message.

Taxpayers are reminded that interest at the rate of 1.25% per month or part thereof, will be charged, beginning Oct. 1, on all taxes not paid before that date.

Mr. and Mrs. Verne Glover, Hollis, spent the week end at their camp.

Mr. and Mrs. Norman Tetley attended the Casco Bank Picnic at Camp Samoset, Casco, Saturday.

The Ladies Circle met Sept. 5, at the home of Olive Anderson, with President Gilberte Seeley presiding. Seven members attended. Olive Anderson read the devotion. Secretary Sylvia Harrington read the minutes of the last meeting and brought the members up to date on business affairs. It was decided to go out to dinner some evening and to hold a White Elephant Sale at the next meeting.

Karlene Bachelder, Louise Tetley, Beatrice Lowell, Eleanor Davis and Gilberte Seeley were in Rumford bowling Sept. 4. Gilberte Seeley was high scorer, beating Karlene Bachelder by one point.

Mr. and Mrs. Owen Wight, Mrs. Pearl Lewis, Mr. and Mrs. Matthew Wight, Scott Wight, and Susan Bowie attended the wedding of Thomas Wight and Edith Murphy in West Hartford, Conn., Sept. 1.

Mr. and Mrs. Owen Wight went from there to Salamanca, N. Y., to take Mrs. Lewis home. They returned to Newry Sept. 6. The rest returned Sept. 2.

The Board reviewed a plan submitted to the State for a minor stream alteration by Romeo Baker. It was decided that the Board would start charging the \$10 application fee as required by local subdivision and site plan review ordinances, effective with any plans submitted after Sept. 1. Previously the fee had been waived, but it was felt that it would cover the cost of a phone, printing, postage, etc. It was hoped by the board that acceptance of the Foster School would result in the ability to store its materials and hold meetings in one regular place. The date of the next meeting is tentatively set for Sept. 25, and it is hoped that it can be held at the Foster School, which the Town voted to take over from M.S.A.D. #44 at a Special Town Meeting on Sept. 4.

The Selectmen have received figures on the proposed State Valuations for the Towns in Oxford County from the State Bureau of Taxation. Total 1985 State Valuations for the five towns in M.S.A.D. #44 is \$129,900,000, up \$19,050,000, or 17.18% over 1984. Andover has the largest increase with a 1985 valuation of \$33,500,000, up \$19,400,000, or 66.66%. Valuations of other District 44 towns, with increases are Bethel, \$43,350,000, up \$2,100,000, or 5.0%; Greenwood, \$19,100,000, up \$1,250,000, or 7%; Newry, \$11,650,000, up \$1,450,000, or 10.95%; and Woodstock \$22,300,000, up \$1,150,000, or 5.43%.

Andover with 19% of the pupils in S.A.D. 44 schools, as of April 1, 1984, pays 25.79% of the costs compared to 18.13% in 1984. All other towns in the District show a decrease in the percentage paid in FY '85 over FY '84, with '85 percentages in parenthesis. Bethel 45.23% of the pupils pays 33.37% (37.21%); Greenwood, 12.97% of pupils, pays 14.70% (16.10%); Newry, 4.29% of pupils, pays 8.97% (9.47%); and Woodstock 18.5% of pupils, pays 17.17% (19.08%).

Town Clerk June Swan wishes to announce that she now has 1985 Hunting and Fishing Licenses for sale at the 1984 prices until Nov. 30, 1984.

Eligible elderly persons are reminded that Oct. 15 is the deadline for filing for Elderly Persons Tax or Rent Refund. To be eligible a person must have reached the age of 62 before Dec. 31, 1983 and have income of not more than \$6,200 for a family of one, or \$7,400 for two or more. Sent in by Viva Whitman:

What a busy but chilly week this has been. I don't like to see frosts come so early in the season as a lot of the garden stuff isn't ready to be harvested. We have been luckier than some and haven't had a frost yet.

Russell gathered enough of the right sized cucumbers Monday, so I made bread and butter pickles. The aroma really fills the house and I, for one, like the smell of pickles cooking. It didn't take long to slice the cukes by using Russell's food processor. Russell worked on the front of the building some more as he is planning to put down a cement foundation for the steps and closing in the front door for winter.

Tuesday, I had to go to the doctors again as my left ear just does not seem to want to clear up. More pills to take and hope it helps.

Wednesday morning, Russell took my car to the garage for me to get it fixed, where the silence of the muffler had come loose.

Wynona called and wanted me to come down and stay as she had come down with bronchitis and was so sick she couldn't take care of the baby, but I didn't want to get her bugs to go along with mine, so suggested that I take Courtney up here with me for a few days to let Wynona get her strength back. Russell and I went down and got her in the afternoon and brought her home with us. I had other appointments to keep later in the week and couldn't do it if I was in Lewiston. Courtney had a good time with us and we have enjoyed having her with us. I had had a good time playing with her what I could and she is so good to play alone that one can get a lot done with her around. Russell enjoys having her around as much as I do. She was with us from Wednesday to Sunday and the house seems empty without her chatter going.

We heard that some folks have had a frost on Thursday and was sorry to hear it. The vegetables will go much longer if only cold weather holds off but we have no control over the weather so have to take whatever comes and put up with it, the best way we can. Had to go to Harrison on Friday to see the doctor again about my ear and didn't know whether Courtney would sit in the waiting room with Russell alright or not, but she did.

Wish the rag weed and golden rod would hurry and go by to see if I could get over being stuffed up.

Lawrence has been bulldozing up back of his place to get a place ready for Peggy's camps to set and what a mess it has been. Cobble hill is just up back of us and I think a lot of the cobbles have fallen down here and grown as fast as children. You never saw much rockier ground than it is around here.

On Saturday morning, Wayne Kennagh and some of his helpers came and got to work digging up the place some more. Got to put in water pipes for the camps and he had to dig around some of the monstrous boulders so the pipe won't be straight. Lawrence helped what he could with his bulldozer and it was quite a sight to see the rocks and boulders they dug out to make a ditch.

Of course Saturday night was to be Grange meeting so I was

Any persons, male or female, interested in filling any of these positions are asked to get in touch with any of them for further information.

The Greenwood Fire Dept. and Auxiliary were hosts to the Western Maine Firemen's Association and their ladies on Monday evening at the Locke Mills Town Hall. A roast beef dinner with peas, mashed potatoes, cole slaw and pie was served to around 100 people. A demonstration of a bombardier was put on by Ranger Rick in the Town Hall parking lot and following that a business meeting was held upstairs in the Town Hall. Due to the larger than expected crowd the coffee pots could not keep up with the demand and the auxiliary appreciated the patience and the understanding of all those who had to wait or went without.

The Greenwood Fire Dept. will hold a training session Tuesday, Sept. 18, at 6:30 p. m. at the fire station.

Mr. and Mrs. John Mills were in Fannington Saturday morning where they attended an interdenominational Christian women's group meeting to which the men were also invited. Following the meeting they visited their children,

busy cooking to have casseroles and made a Johnny cake too. Didn't have many people come, but did what business we could and got to come home early. I didn't mind as I knew Courtney would be tired and needed her sleep. Wayne was back on Sunday morning and the work continued. They have dug a ditch down back of our place for the extra water to run off. It has been wet out here all summer and Wayne got stuck a time or two, but Lawrence helped him out with a bulldozer, so all went well. Anyone needs a few rocks, there are some spares out here that were dug out to make the ditch. I was fur to watch Wayne work his back-hoe and one has to be pretty clever to do all they do with that machinery. Gravel has been hauled in and put in place at the site where Peggy's camps will go, but there is still the cement to be put in. Lawrence is doing that and in the afternoon on Sunday, after Peggy and I had gotten back from taking Courtney home, in drove Bryce Yates with his truck and his son Elden was here with Peggy's little barn where she stores a lot of stuff. Wasn't expecting it, but it is set up and ready to be loaded down again.

As you can see, things happen fast when one starts a project here. Russell has the frame work done ready for cement work out front of the trailer and expect it

Following the meeting they visited their children, Mr. and Mrs. John Smith in Dryden and enjoyed as trip through Strong and Avon returning home in the evening.

Mr. and Mrs. Chris Dutcher and family are moving to Bethel.

There will be a hymn sing at the Bethel Congregational Church tonight (Thursday, Sept. 13) to which Locke Mills churchgoers are invited.

The Ladies Circle will meet Wednesday, Sept. 19, at 1:30 p. m. at the Sunday School Room.

There was a meeting Wednesday evening of the Christian Education Committee of the Locke Mills Union Church. Dates for the resumption of Bible Studies, Sunday School classes and Youth Groups were discussed and will be announced shortly.

Mangery Swan will be holding classes for Christmas crafts again this year at the Sunday School rooms on Wednesdays starting on Oct. 3 from 9-11 a. m. as part of the S.A.D. Adult Ed. program.

will be put in the middle of the week. It has been noisy here but when you see so much accomplished in such a short time, it is amazing. I feel as though I wasn't much good when I see all that the others can do, but do what I can and have to be satisfied with that. I like to see the work being done and getting done so fast. It is really something to see all the work getting done and Peggy's camps are all jacked up, ready to be moved when the cement work is done and dried. There is always a lot to do later, but when the camps are moved, she will feel better and then the rest can be done at a little slower pace, we hope.

Fall is in the air and it has felt it this past week and I expect the leaves will soon be changing to their beautiful shades of orange, yellow, red and brown. All the colors combined that make such beautiful pictures that no artist can capture. I love the colors, but don't enjoy the cold weather that is to come. However, we have to put up with the four seasons in this part of the country and I guess I wouldn't really want to change it very much.

B.E.A.R.S.

(Bethel Emergency Ambulance & Rescue Service)

Advanced First Aid Class started Sept. 11, 7 o'clock, at the S.A. D. 44 Bus Garage. There is still room for more people.

If there is anyone in the area that is going to be in Lewiston on Friday, Sept. 14, or Saturday, Sept. 15, E.M.S. (Emergency Medical Services) is going on at the Auburn Mall. There are going to be displays by Ambulance Services, Hospitals, and the American Red Cross. There will be some demonstrations. There will be displays by people involved in selling Ambulances, Ambulance equipment, Patches, Jackets, etc., Radios, Books, Crafts, Monitors and Defibrillators.

The regular monthly meeting will be on Sunday night, Sept. 16, at 7 o'clock at the Bus Garage.

Board of Directors meeting will be at 6 o'clock, Sunday, Sept. 16, at the Bus Garage.

Safety Tip
It is now getting to that time of year when cold weather is setting in. There will soon be mornings when the car windows will be frosted up. Be sure that you allow extra time to clear all of the car windows. Accidents have happened because people have not been able to see where they are going or who is coming.

CARD OF THANKS

This class was arranged with the assistance of the Andover Fire Department and is open to teens and adults. The Bethel Area Health Center is planning a Smoking Cessation class in Andover in October, with details to be announced later in the fall.

VOLUNTEER TEAMS PREPARE FOR HELP LINE

The Help-Line Project, sponsored jointly by Oxford County Community Services and Tri-County Mental Health Services is seeking additional volunteers. Volunteers are needed from the Bethel, Rumford and Oxford Hills areas.

As a volunteer you would be trained by specialists to assist individuals by providing information or aiding those who are in an emergency situation. Each volunteer will be a member of a three person team. These teams will share week-end shifts and each member will be a support system for the other. Car pooling will be available to the Chisholm Family Center in Rumford, the base of operations for this important and necessary community project.

Your help is needed now. In addition to sharing your time and skills to your community you have much to gain in return. Valuable educational seminar and training will be provided to all volunteers that will not only assist them in their role as a Help-Line volunteer, but will be valuable for everyday life experiences.

If you wish to be a part of this Help-Line team, call or write: Help-Line, Oxford County Community Services, P. O. Box 278, South Paris, Maine 04281, 743-7716.
